

U.S.S. Excelsior Aztec Decal Set

PRESENTS

Take your U.S.S. Excelsior kit to the next level with this fantastic new decal set from AMT! These high quality water-slide decals are produced by Cartograf. They offer excellent adhesion and wrap around the contours of the model. These aztec decals provide coverage over nearly the entire model. The set includes bonus registry pennants and numbers for the U.S.S. Hood, U.S.S. Valley Forge and U.S.S. Melbourne and also come with two "strongback" color schemes. An illustrated decal placement diagram is also included.

DECAL FEATURES

- World-class quality decals by Cartograf
- Aztec decals cover nearly the entire model
- 3 full-color sheets
- Alternate registry numbers and "strongback" color schemes

Actual product may vary from preview image shown.
